

The Psi Upsilon Society of Georgia alumni association is in the midst of a revival, but it will falter unless we figure out how to make it relevant and useful to the alumni.

If you have any ideas. Please email them to pusog1970@gmail.com or, better still, work with us to get them going.

Goals for 2008.

1. ~~Set up a website for alumni news/~~
donations
PUSOG.ORG
2. ~~Staff a call center and call Alumni twice a~~
~~year for news and donations.~~
Done (Thanks Gumby, Ross, Sam & Chirley)
Will do again before Founder's day.
3. Send a thank you letter to every donor.
4. Maintain PUSOG.org
5. Send congratulations cards to all graduating seniors inviting them to participate.
6. Host 2 cocktail hours somewhere in Atlanta for alumni only (likely in June and around Xmas)
7. Get a good financial start on having the upstairs bathroom renovated by the end of 2010 through donations.
8. Open a formal channel for requests feedback and advice for and from the actives
9. Meet with actives for dinner informally monthly (+/-a week)

Renovations

About the upstairs bathroom:

I currently work alongside the construction dept of Hooters of America. One of the guys (David Howse) has agreed to assist with the process of finding a contractor etc. He says the stages for renovation should proceed thus;

Phase 1

- Prepare a "scope of work" to determine costs (there are big references for this he will help me navigate).

Phase 2

- Raise money using the scope of work (his current estimate for the cost of the project based on the following (1) rough assumptions was at least \$30-35,000.00)

Phase 3

- Use scope of work to solicit bids

Phase 4

- Begin work within 30 days of receiving bids (hopefully Summer 2010)

Current (tent.) scope of work - (please address comments to pusog1970@gmail.com)

(1)

- Replace all the flooring/wall tiles (he recommends larger tiles as a cost saving measure)
- Replace/repair all 3 toilets
- Replace urinals which used to hang on the wall
- Replace stalls (3)
- Redo sinks/cabinets (3)
- Redo Lighting
- Replace Door
- Convert to "real" ceiling
- Replace shower pan
- Fix plumbing on two broken sinks
- Fix plumbing/replace shower heads/handles on 6 showers
- Install rods for hanging dividers between showerheads
- Waterproof lighting

Resources for Alumni

pusog.org

gtpsiu.org - chapter wiki

pusog1970@gmail.com - suggestions

note: many alumni are registered with LinkedIn, LiveJournal, and most popular games (Rockband, Smash Bros, WoW, have many Psi U's)
